In order for the Chesapeake Wheelmen to continue to serve its members and grow as an organization, there is much work to be done. The club asks that all members contribute a little of their time and talents to make our organization flourish. What follows is a list of some of the positions that need to be filled.

You will notice that some tasks like committee membership or the Newsletter are year-round responsibilities while others like race registration or the club banquet happen just a few times a year. All these jobs are important, but require very different commitments of time and energy. Please indicate on the following list those positions in which you feel you are best able to help the club. Please number your choices in order of preference.
